## Selection of providers

Viisi periodically compares and selects the financial products offered by financial institutions. We strive to work with financial institutions that offer products that add value to our customers/target group.

## Compensation

We always agree with you in advance on the manner and amount of the fee for our services. We use the following *basic rates*:

Your first home	€ 3.095
Your next home	€ 3.595
Refinance mortgage	€ 3.595

### Entrepreneurs pay an additional fee

Your mortgage application requires extra attention if you are registered as an entrepreneur at the Chamber of Commerce (KvK). More information will be required to assess your financial position. In many cases, the mortgage lender will apply a more extensive approval process. Naturally, we also want to be able to give entrepreneurs all the attention needed. For this reason, we charge the following additional fees:

Sole proprietorship / Entrepreneur IB	€ 495
Entrepreneur partnership / VOF	€ 745
Limited Liability / Entrepreneur DGA / BV	€ 995
Additional enterprise	from € 295
Entrepreneurs' income is <i>not</i> required to be eligible for financing	€ 250

In addition, many lenders charge extra costs (€ 300-600) to determine your entrepreneur's income. Your Viisi advisor can provide you with more information.

### Additional mortgage services

In addition to the basic rates, we offer several extra mortgage services. An up-to-date overview can be found here: [viisi-expats.nl/our-rates](https://viisi-expats.nl/our-rates)

An hourly rate applies to work that we carry out on request after the mortgage deed has been passed (continuous assistance). We use two rates: **€ 300 (advisor) / € 100 (support)**.

## What else can we help you with?

We also help you to request an **appraisal report**. When applying for a mortgage, the appraisal report is one of the most important documents for the lender. With this report, it can be substantiated that the home, the collateral for the mortgage, is worth sufficient.

We are happy to initiate the appraisal for you so that you can be sure that the report is drawn up quickly and matches your mortgage application properly.

When you reach an agreement with the seller of the house, the selling party often demands that you, as the buyer, pay a security deposit or have a **bank guarantee**. This gives the seller more security that you will actually buy the house.

We would gladly help you obtain this bank guarantee and provide insight into the costs. Some parties do not charge a fee for this, while others may charge a fee of up to 1% of the security deposit.

Finally, we can help you apply for a **technical inspection** and find a **suitable notary**.

And when the mortgage has been arranged, we can also help you with insurances for your family and your home (non-life insurances) and with advice on financial planning and wealth management.

## Complaints

We do our utmost to help you as best we can. If you are dissatisfied with our services, please let us know. If your dissatisfaction or complaint has not been resolved to the full satisfaction of your Viisi advisor, you can send the complaint to [hello@viisi.nl](mailto:hello@viisi.nl) to the attention of the management team. State clearly in the subject that it concerns a complaint. Our complaints procedure is as follows:

1. After receiving the complaint, we will send an official confirmation by email. The complaint is registered with us in the internal complaints register. You can expect a substantive response from us within three weeks at the latest.

2. Complaints are always discussed in the management team.

3. We usually first contact you by telephone. Together with you, we investigate how we can resolve the dissatisfaction and possible damage. We will then respond by email with a substantive response.

If you are unsatisfied with the outcome, you can submit a complaint to the Klachteninstituut Financiële Dienstverlening (KiFiD) after completing the complaints procedure with Viisi. Viisi is bound to follow KiFiD's rulings. We, therefore, act at the discretion of the KiFiD Disputes Committee.
